INTRODUCTION

Program Description

Our program incorporates critical thinking, collaboration, and creativity through project based lessons with an emphasis on science and technology. To prepare our students for their futures, technology is integrated and utilized to the fullest potential. Students will embark on purposeful, rigorous learning that requires research, investigation, challenge, teamwork and learning through relevant experiences. Lessons are interdisciplinary studies of a theme or topic and place-based when appropriate, generally lasting four to nine weeks and are the core of the curriculum.

The program will foster a strong sense of student community. ACSA is a multi-age school. We believe our multi-age structure allows students to learn at their own developmental pace, learn from students of different academic levels, and to grow as leaders.

ATTENDANCE

Absence: Excused

At a parent's request, the Principal may excuse a student's absence for health reasons, school sponsored events or sports, family emergency, travel, religious reasons, or other reasons the Principal determines constitutes good cause. Please notify the Registrar by email or phone as soon as possible when an absence occurs. The parent will receive a phone call if no message has been received by the morning a student is recorded absent.

A student will be marked unexcused if an absence does not meet the requirements for an excused absence and will be marked tardy if he or she arrives after the school day has started.

Absence: Pre-Arranged

Anvil City Science Academy is built on the belief that kids learn best by experiencing unique, hands-on activities. We are not a worksheet-driven program. The staff believes there is no substitute for the educational interactions between teachers and students, as well as peer-to-peer collaboration. As such, with an ever-evolving schedule and curriculum, many times it is not possible to pre-arrange work. However, a student is welcome to ask each teacher if any work can be taken along during a planned absence.

We also would like to note that when a student misses school, the absence may academically affect his or her peers. Since we complete quite a bit of group work, an absence often affects other students. Students in the classroom have to do extra work, or even have to wait on students to return before they can even begin to complete a project.

Making Up Missed Work

Students are obligated to make-up assignments or tests after an absence from school. Make-up work will NOT be assigned prior to a planned absence except at the discretion of a teacher.

To make up work, students will be given two (2) days for the first day missed and one (1) day for each succeeding day missed, not to exceed ten days total.

When a student has been absent, they must check Google Classroom for each class. Resources and assignments will be posted on Google Classroom. Please expect your child to take the time to read directions, watch videos, complete missed work, and submit assignments.

Students who are traveling for school activities will need to request their reading and math homework from teachers in advance and will be expected to turn assignments in on the following Monday. Pre-assigned homework and tests need to be turned in ahead of time or as directed by the teacher.

Students shall be given the opportunity to make up schoolwork missed due to an excused absence and shall receive full credit if the work is turned in according to the above policy.

Students who miss school work because of unexcused absences or suspensions shall be given the opportunity to make up missed work for full or reduced credit. Teachers shall assign such makeup work as necessary to ensure academic progress, not as a punitive measure.

Perfect Attendance

To encourage excellent attendance, students with no absences and no tardiness shall be recognized monthly with an incentive/reward.

Tardiness

A student is expected to be in class on time. Teachers have structures in place which require engagement in the first minutes of class, and a student should be prepared to participate.

Sleeping in Class

In order to fully benefit from ACSA's rigorous academic program, it is necessary that students arrive to school on time, well-rested and ready to learn each day. Sleeping in class is a form of absence that interferes with student learning. It interrupts the learning environment for all students and will be handled in a serious manner. Sleeping in class is not acceptable behavior at ACSA. An incident of sleeping in class warrants parent notification so that families can make necessary adjustments to ensure their student receives adequate rest.

SCHOOL PROCEDURES

Advancement in Classes

The core classes at ACSA are Language Arts, Reading, Science, and Social Studies. Students are placed in one of three levels (Class A, Class B, or Class C) for the core classes.

- . Class A students receive quite a bit of direct instruction and learn basic content for each subject area.
- . Class B students receive some direction instruction but should also be able to operate somewhat independently using written instructions, and they learn a range of content for each subject area.
- . Class C students are expected to function quite independently and know how to use available resources to assist their learning of deeper content in each subject area.

A student may remain at the same class level for more than one year depending on his or her academic needs and ability for self-direction. Any student who attends ACSA for four years will indeed take a certain level twice since there are only three levels for four years of curriculum. However, because the theme is different each year, a student will learn new content while having the opportunity to reinforce skills at a particular level.

To advance to the next math class, a student must demonstrate proficiency in the skills and concepts for the current course level. The student should demonstrate proficiency by completing assigned work, scoring average or better on classwork or placement tests, and/or showing competency through MAP test scores. Students are retained, when needed, to repeat the content and practice the same or similar skills.

After and Before School

Students should not arrive at school before 8:50 am. At 8:50, buses arrive and students can go to breakfast at the cafeteria. Students who are dropped off at school by parents can also go to breakfast.

Students and parents may work with their teachers to arrange to get help outside of class time.

Communication With Parents

Important information pertaining to school is shared with families by email. Parents should check their email daily for ACSA messages. ACSA also maintains a website and Facebook page to help families keep informed. Students will keep track of assignments and homework in assignment notebooks, which go home nightly for parent review. For parent communication to teachers, email is the most efficient and preferred method, but school visits or phone calls are also useful.

ACSA students access Google Classroom, have school-administered G-mail accounts, and use many software programs for school work. In order to understand how these tools are used, parents will be invited to a technology help session in the fall.

Grade Reporting

Report cards are given at the end of each of the four quarters. Halfway through each quarter, progress reports are sent home to parents/guardians to notify them of their student's performance in school. ACSA teachers update grades weekly.

Students and parents should monitor grades weekly using PowerSchools (an online gradebook) or other resources. When an assignment has not been completed by the due date, a ZERO will be recorded in PowerSchool, even for students in quarantine.

Homework Responsibility

Homework will reinforce classroom learning objectives and be related to student needs and abilities. Typically, a student will have math and reading homework each night, but at times homework will be assigned in other classes as well. Because it is expected that students complete the assigned homework, grades will be taken and are part of a student's overall class grade.

Honor Roll

Students who receive all A's on their report card will achieve the "A" Honor Roll and all A's and B's will achieve the "B" Honor Roll.

Late work

Late work is worth 60% of the value of the assignment for daily work.

Late work earns a 10% deduction of the value of the assignment per day for major projects or long-term assignments.

Redos

In order to increase understanding of a skill or concept and to earn a higher grade than the original mark, teachers may give students permission to redo certain types of assigned work. Any work that has been redone correctly will earn 50% of the credit that was missed added to the original score.

Due to regularly assigned homework in Math, special redo policy exists for these classes. Students must redo each missed math problem on assignments with a score of less than 70%, but redos are optional for assignments with a score of 70% or above. Math 5, 6, and 7 students will earn full credit for each correct redo. Math 8 students will earn half credit for each correct redo.

There are no redos on math tests.

SAFETY AND SECURITY

Student safety and security is a high priority. Any time a student arrives late or leaves early it is important that he or she sees the principal or the administrative assistant and signs in or out. A parent or guardian must notify the principal or staff if the child will be absent.

Visitors must check in with the administrative assistant or principal upon arrival.

Sign In/Sign Out Procedures

All doors to the school building will be locked during the school day between the hours of 9:00 AM - 4:05 PM. To drop off or pick up your child **during the school day**, use the entrance on the west side of the school building. Our school's sign is near the door to the conference classroom where your child will enter or leave. **A parent or guardian must come inside the building** to sign in or sign out their child. **Please do not ask your child to meet you outside.**

To drop off or pick up a child before or after school (before 9:00 AM or after 4:05 PM), please use the east entrance -- there is a cement ramp at this entrance -- to avoid bus traffic.

Backpacks

Students are not permitted to bring a backpack into the classroom due to safety concerns. These concerns range from students and teachers tripping over them to contraband being brought into the classroom. Each student has been assigned a locker and should use it to store his or her backpack and other items.

Building Security

Nome Public Schools will follow a "Run, Hide, or Fight" plan in response to an active intruder. Information about this type of response can be found at <https://www.ready.gov/active-shooter>. Anytime the ACSA staff intends to hold a drill, students will be informed and will have an opportunity to ask questions before and after. We want students to feel as comfortable as possible with the concept and procedures.

In the event of a drill for Lockdown or Evacuation or in the event of an actual emergency situation, students shall obey all teachers' directions in a prompt manner. Student safety depends on listening carefully to the teacher's directions with immediate compliance. Additional emergency classroom instructions are located in each room in the RED EMERGENCY FLIP CHART.

Lastly, it is important to note that prevention and communication are key components of school safety. The ACSA staff will work to establish a school climate of respect, connectedness, and trust amongst all stakeholders. Any time a student is aware of dangerous situations or has a concern about safety or the wellbeing of another student or staff member, that student is expected to share his or her concerns with a teacher, administrator, a school counselor, or staff in the school and/or office.

Search and Seizure

Nome Public Schools staff and Board recognize that incidents may occur where the health, safety and welfare of students and staff are jeopardized. **Such incidents necessitate the search and seizure of students, their property, or their lockers by school officials.**

- Student Lockers – Students' lockers are part of the school building, and as such are under the supervision and jurisdiction of school officials. School officials may search a student's locker at any time.
- Personal Searches – A student's person and/or personal effects may be searched whenever a school authority has reasonable suspicion to believe that the student is in possession of illegal or unauthorized materials. Any student who evades or flees from staff in order to avoid a personal search or search of their personal effects will be assumed to be in possession of the substances that caused the "reasonable suspicion." If a pat down search of a student's person is conducted, it will be conducted in private by a school official of the same gender and with an adult witness present and parent/guardian. If extreme emergency conditions exist that endanger the health and safety of others, a more intrusive search of a student's person will be conducted in private by a school official of the same gender, with an adult witness of the same gender present, and only upon prior approval of the superintendent or his/her designee.
- Seizure of Illegal Materials – If a properly conducted search yields illegal or contraband materials, such findings will be turned over to proper legal authorities.

Weapons and Knives and Look-a-Likes

Weapons, knives and look-a-likes (including but not limited to multipurpose tools, pocket knives, toy knives, guns, squirt guns, bombs, grenades, fireworks, lighters, martial arts equipment, metal knuckles, etc.) are not permitted on the bus or on campus. Possession of any of these items may result in police notification, out-of-school suspension or recommendation for expulsion.

GENERAL INFORMATION

For issues not specifically addressed in this student handbook, Nome Public Schools Board Policy for Students will inform decision making and resolution.

Calls/Texts

Students who need to make an important phone call/text shall ask the permission of the classroom teacher. Phone calls or texts to students during classes are not permitted. Students are permitted to check their phones at lunch time. If there is an emergency situation, a parent should call the district office at 443-2231 and the message will be relayed to the ACSA staff. When students need to call home because of illness, **an ACSA teacher must speak to your parent/guardian to approve your dismissal.**

Cell Phones/Electronics

Students may use their electronics before school, after school, and during lunch. Students are not allowed to use or have their electronics, including earbuds, on during class or during passing periods. Students who are using or have their electronics on/out must turn their electronics over to staff upon request. Failure to do so will subject the student to a detention due to willful disobedience. For safety reasons, when special permission for electronics is granted, students are not permitted to wear more than one earbud. **One Earbud Only!**

Discipline Procedures for using electronics during inappropriate times:

1. 1st offense: Electronic device is confiscated, given to the principal, and students can pick it up at the end of the school day.
2. All subsequent offenses: Electronic device is confiscated, given to the principal, and parent/guardian must pick it up from the principal.

The teacher will determine the usage of these items for school related work and will have control over the regulation of these items up to confiscation.

Anvil City Science Academy is not responsible for lost or stolen electronics.

Field Trips

Throughout the year, ACSA students will be involved in various curricular activities that will take them away from school. Please complete a blanket permission slip for all field trips/activities. Teachers will provide information on each field trip/activity throughout the year.

Student Dress

School is preparing students for future employment. Students need to dress appropriately every day. To create a favorable climate for learning, students' appearance shall be neat and clean. Any clothing that is distracting, interferes with the educational process, or presents health and safety hazards is not permitted. Wearing "hoodies" (sweatshirt hoods) with the hood up is not allowed inside the ACSA

school building. Garments that display profane or obscene words, advocate gangs, illegal drugs, tobacco, or alcohol are not allowed at school. Undergarments should not be visible. No low-cut attire or exposed midriff will be allowed. Students wearing prohibited clothing will be sent home to change unless parents agree to bring acceptable attire to school for the student to change into. Students may be asked to cover up the offensive clothing in lieu of going home. Subsequent instances of inappropriate dress will be treated as willful disobedience resulting in further disciplinary action.

Immunizations

All students attending ACSA are required by law to have proper immunizations before being permitted to attend. Students that are not properly immunized will not be allowed to attend school until such immunizations are received and the school has documentation of the required immunizations. The responsibility for ensuring that immunizations are current shall lie with the parent or guardian.

Lockers

Each student is assigned a locker for the storage of books and equipment. It is the student's responsibility to see that his/her locker is kept in order at all times. The person to whom a locker is issued is legally responsible for that locker's contents. The school is not legally liable for items missing from student lockers. Lockers should not be defaced, damaged or misused in any way. Students will be charged for locker damage or for removal costs if stickers, markers, paint, etc. must be removed. The outside of the student lockers is reserved for school-related posters and materials only. If items posted on the inside of a student's locker are offensive to another individual, the student who is assigned that locker must remove those items. (Also see Student Search Procedures)

Anvil City Science Academy is not responsible for lost or stolen items.

Lunches

The school cafeteria is maintained as a vital part of the health program of the school. Please be cooperative regarding the following rules:

- a. Students are not allowed to cut into the lunch line.
- b. Bring all trays to the dishwashing area.
- c. Deposit all lunch litter in wastebaskets.
- d. Leave the table and floor around your place in clean condition for others.
- e. Gum is not allowed in school and should not be on the trays.
- f. No food or trays should be taken from the cafeteria. Exceptions for school-related meetings that occur over lunch can be made.

Medicines

Students needing to take prescription or non-prescription medicine during the school day must leave the medicine with the principal or administrative assistant. All prescribed over-the-counter medicine must be in the original bottle. Parents will need to complete and sign a Medication Form prior to any medication being dispensed to a student.

Textbooks

Students are responsible for the replacement cost in case of loss of, or damage to, textbooks issued to them. Before a student's records or report cards are released, charges against the student must be paid.

Snacks and Water Bottles

The daily schedule provides time for students to eat a small snack between breakfast and lunch. Students should bring their own snacks (cookies, chips, and candy are not allowed).

Students are allowed to bring water bottles to classes, and water is the only drink permitted in the halls and classrooms.

Candy and chewing gum are not permitted inside the ACSA building, Nome-Beltz building, gym or on the school buses. Students found with these items will be asked to discard the item and may be subject to administrative consequences.

Student of the Month

“Student of the Month” nominations will be solicited from teachers by the Principal each month. The award will honor a student who displays a solid work ethic, good academic standing or progress, and an effort to be an all-around positive influence to others.

Technology Acceptable Use

We are pleased to be able to offer students of Nome Public Schools access to the District computer network for Internet access and electronic mail. To obtain access to the Internet, all students must have parental permission and must sign and return a copy of this form to the school office.

ACSA students are assigned a laptop and must care for it. The laptops are to be kept in the charging cart or taken directly to class (not taken to lockers or left in hallways). Also, the computers are to be used for school purposes and assigned work as defined by the teachers. Violations of proper care or usage of a computer will result in the following consequences:

1st offense - computer taken for the class period

2nd offense - computer taken for the day

3rd offense - computer taken for a week

4th offense - suspension of computer privileges

Inappropriate care or usage deemed extremely severe can result in moving directly to the 4th offense.

Laptops and External Hard Drives

Use of phones, personal laptops, cameras and external hard drives are permitted with prior teacher approval and direct teacher supervision. A breach of the NPS Internet Safety Use Agreement will result in loss of privilege and possible confiscation.

Visitors

All parents are welcome at Anvil City Science Academy. Parents and volunteers must check-in with the administrative assistant or principal upon arrival at the school. Please enter the building through the northwest entrance and complete the sign-in log.

SCHOOL BUS RULES

1. The driver is in full charge of the bus and students. Students must obey the driver or monitor promptly and willingly. No student shall sit in the driver's seat.
2. Students must remain seated while the bus is in motion. Bus drivers, duty personnel and administration are authorized to assign seats as necessary.
3. Outside of ordinary conversation, classroom conduct will be observed. Students should remember that any action, which distracts the driver or creates a safety hazard, is subject to disciplinary consequences.
4. Windows may be opened only with permission of the school bus driver. Students must not extend any part of their bodies out of the windows.
5. Proper conduct in the bus loading zone or bus stop area is as important as proper conduct on the bus. The bus loading / unloading zones are considered part of the school. Students must leave the school bus in an orderly manner. If it is necessary to cross the street, cross in front of the bus, following the instructions of the driver. Students must wait at the bus stop shelter, not across the street.
6. Students must remember that riding the bus is a privilege, not a right. The Principal, Assistant Principal, Bus Contractor, and/or the Superintendent can deny a student's privilege of riding the bus for any misconduct.
7. High school students should ride the high school bus and middle school students should ride the middle school bus. Written/verbal permission should be obtained from the principal or the administrative assistant to ride a bus at a different time. Failure to follow this rule could result in discipline action and or up to denial of bus riding privileges.
8. Students must inform staff prior to their last class if they will not be riding the bus due to a change of plans.

Activity Bus Runs

Activity bus runs will be provided after activity events. All bus rules remain in effect on these runs.

Student Vehicles

Anvil City Science Academy is successful because of our community. We would like to teach our students to follow the ordinances set forth by our elected officials. As such, no student at ACSA may ride an ATV, motorcycle, or snow-machine to school without parental supervision per Nome City Ordinance 8.15.030, "No person under the age of sixteen shall operate an ATV or snowmachine unless under the direct supervision of an adult. (Ord. O-08-01-01 § 3 (part), 2008)". If you have any questions about this please feel free to contact the officers at the public safety building for more clarification.

STUDENT ACTIVITIES

Student activities include: clubs, organizations, sports, as well as all special activities sponsored by these groups. All student activities are important for student growth, however, to participate, students must follow all required eligibility and participation guidelines. Student Conduct Eligibility

Students who are assigned more than one day of In-School Suspension (ISS) or who are assigned to Out-of-School Suspension (OSS) will be ineligible for thirty school days. Ineligible students cannot participate in any activity travel and/or competition and may not attend dances; they may continue to participate in practices. Students serving an OSS may not be on campus or any school property.

BEHAVIOR PLAN

We expect responsible, respectful and safe behavior at Anvil City Science Academy. Every teacher has a classroom discipline plan. If student behavior is inappropriate, serious or repeated, parents will be notified by telephone and may be asked to come to school for a conference.

All discipline procedures are subject to the discretion of the administration and may be changed as needed.

Various student misbehaviors and the consequences that apply have been listed in this handbook. However, the Nome Public Schools System recognizes that other behaviors may endanger the welfare and/or safety of other students, faculty, staff, or cause disruption to the good order and discipline in the schools. The school system reserves the right to administer consequences for such behavior not specified in the Anvil City Science Academy Behavior Plan. Students should recognize their responsibility to know the contents of this handbook and to ask staff members for any clarification.

Classroom Expectations

Classroom expectations are at the discretion of the teacher. Teachers post classroom expectations and consequences and review these with students. Consequences for repeated and/or serious disruptive conduct will include referral to the principal.

Hallway Expectations

ACSA students use the hallways, tunnel, and parking lot to access different areas throughout the Nome-Beltz campus. To respect others who share this space, students adhere to the following expectations. Consequences for infractions of these rules may include loss of gym time, written reflections, detention, or meeting with parents.

- Be quiet (no talking)
- Walk
- Keep your hands to yourself

ACSA Discipline Procedures

Incidents requiring disciplinary actions are divided into four categories according to the level of severity and disruption of a safe school environment. This matrix lists the most common behavior issues and is not inclusive of all possible behavior issues that can arise during a school day or activity. Unacceptable behavior not listed will be handled on an individual basis using the progressive discipline model as a guide to consequences.

Consequence Definitions

Natural Consequences: Natural consequences are disciplinary consequences designed to fit the infraction. Examples of natural consequences include painting over graffiti, campus cleanup for littering, written apology for rude behavior, etc.

Detention: An administratively imposed consequence requiring a student to remain in a designated place either during lunch or after school. Students assigned a lunch detention will be required to wait at the end of the lunch line and then be escorted to Room 101.

In-School Suspension: The intent of in-school suspension is twofold; the first is to isolate the student from the normal social aspect of school while allowing for academic pursuit. The second is to have the student reflect on their actions, recognize their culpability and identify more appropriate choices and strategies for conducting themselves. The discipline designee may assign in-school suspension.

Out-of-School Suspension (OSS): If the discipline designee determines that the student will not benefit from placement in ISS or that his/her presence on school property is detrimental to the health, welfare or safety of other students, he/she may be sent home from school for a period of suspension. Unless the student poses an immediate or continuing threat to person(s) or property or the behavior is a serious disruption to the academic process, removal from school will begin the school day following the offense. OSS is a temporary exclusion from school for a specified number of days. During OSS, the student may not be in any Nome school building, on any school campus, or at any school-sponsored program or activity.

Expulsion: The denial of the right of school attendance, either from a specific school or from the District, for an indefinite period of time. No student shall be expelled unless other means of correction have failed or would not be adequate in bringing about proper conduct. In addition, the matter of an expelled student's further education shall be referred to the appropriate authority.
