

ANVIL CITY SCIENCE ACADEMY

Parents,

The 2202 overnight camping trip is set for Thursday and Friday, **September 8th and 9th at Camp Nuuk**, located about 20 miles east of Nome. We have made tentative plans as follows:

Thursday: Students, staff and parent volunteers leave ACSA at 9:30 AM. Students will travel by bus. Gear will be transported in truck beds. All students must bring a sack lunch for our first day at camp, but dinner will be provided. Students will be involved in classes and activities throughout the day and evening. Plan for the weather! Make sure students have the clothing and gear they need.

Friday: Breakfast (at camp) and lunch (at school) will be provided. Lessons and activities that day begin after breakfast. The school bus and parent volunteers will pick up students and gear from camp at 11:30 and bring them back to school. As usual, school buses will bring students home from ACSA at 4:05 PM.

THIS CAMPOUT IS ONLY POSSIBLE WITH LOTS OF SUPPORT FROM FAMILIES!

Here are volunteer jobs parents can do:

- 1) **Teach a class or run an activity** for students.
- 2) **Chaperone** during the day and/or overnight.
- 3) **Cook dinner or breakfast and clean up** the kitchen area.
- 4) **Haul gear** to or from camp.
- 5) **Donate wood** for the wood stove, **propane** for the grill, **or gasoline** for the generator.

Please consider sending a **\$10-20 donation** to cover the cost of the meals that we will provide for your student.

Keep this for your reference and return the attached sign up page.
